Declared Invalid.

He declared that the saw with which the steel bars on the window were cut was carried into the sail by a colored man in the chain gang. He could not give his name, but promises to point him out. Thempson did not know where the negre secured the saw, but he said Jesse Raffin, the negre who is wanted as Farmville for murder, gave him a half a dollar for it. This was more than three weeks ago, and Thompson claims the work of cutting the steel bars was pushed through the night for three weeks Raffin and Johnson took turns at working the saw through the night, and then they would sleep during the day.
